General Cluster Behavior Expectations

Demerit Policy

Our classroom behavior is managed through a demerit system. It is a three strike system. A demerit is a warning. One demerit gets your initials or name on the board. Two Demerits earns a check mark next to your name. Three demerits earns an after school teacher detention. Four demerits equals a housemaster write up, and a 5th would require immediate removal from the classroom. Demerits are non-negotiable, anyone can receive a demerit for the following behaviors. Demerits can only be accrued during (1) academic class period and are erased at the end of each period.

- Talking Out of Turn
- Off Task
- Out of seat without permission
- Talking Back
- Foul Language (swearing, name calling)
- Disruptive Noises
- Not Following Directions
- Unprepared.
- Disrespect*

*level of disrespect may warrant immediate write ups or removals
