

Map the Fertile Crescent

Complete the map below using an atlas and by following the directions:

- 1) Label these bodies of water and COLOR them BLUE: Mediterranean Sea, Red Sea, Caspian Sea, Black Sea, and the Persian Gulf.
- 2) Label these rivers and TRACE them in BLUE: Nile, Tigris, Euphrates
- 3) Locate and label these cities. These are all capital cities of the city-state shown next to it in parenthesis: Ur (Sumer), Babylon (Babylonia), Jerusalem (Judah), Tyre (Phoenicia), Memphis (Egypt), Nineveh (Assyria). There is a black dot where each important city is located.
- 4) Color the land inside the Fertile Crescent GREEN
- 5) Label the Arabian Desert and color it BROWN
- 6) Feel free to label any other places that interest you
