

# PHOENICIANS AT SEA

**Language Objective:** TALK about where the Phoenicians went using geography terms (east, west, north, south), how did they get there? Where did they go?

**WRITE:**

Using transition words (next, then, after) describe where the Phoenicians began and sailed to. What did they establish along the way? How did they keep peace with so many different cultures? What modern day countries did they establish trading ports in? How were the considered middle men?

**Word bank**

Phoenicians Colonies

- Africa
- Sailed
- Mediterranean
- ports
- North
- Britain
- Lebanon
- eastern

**Fill in the Blank**

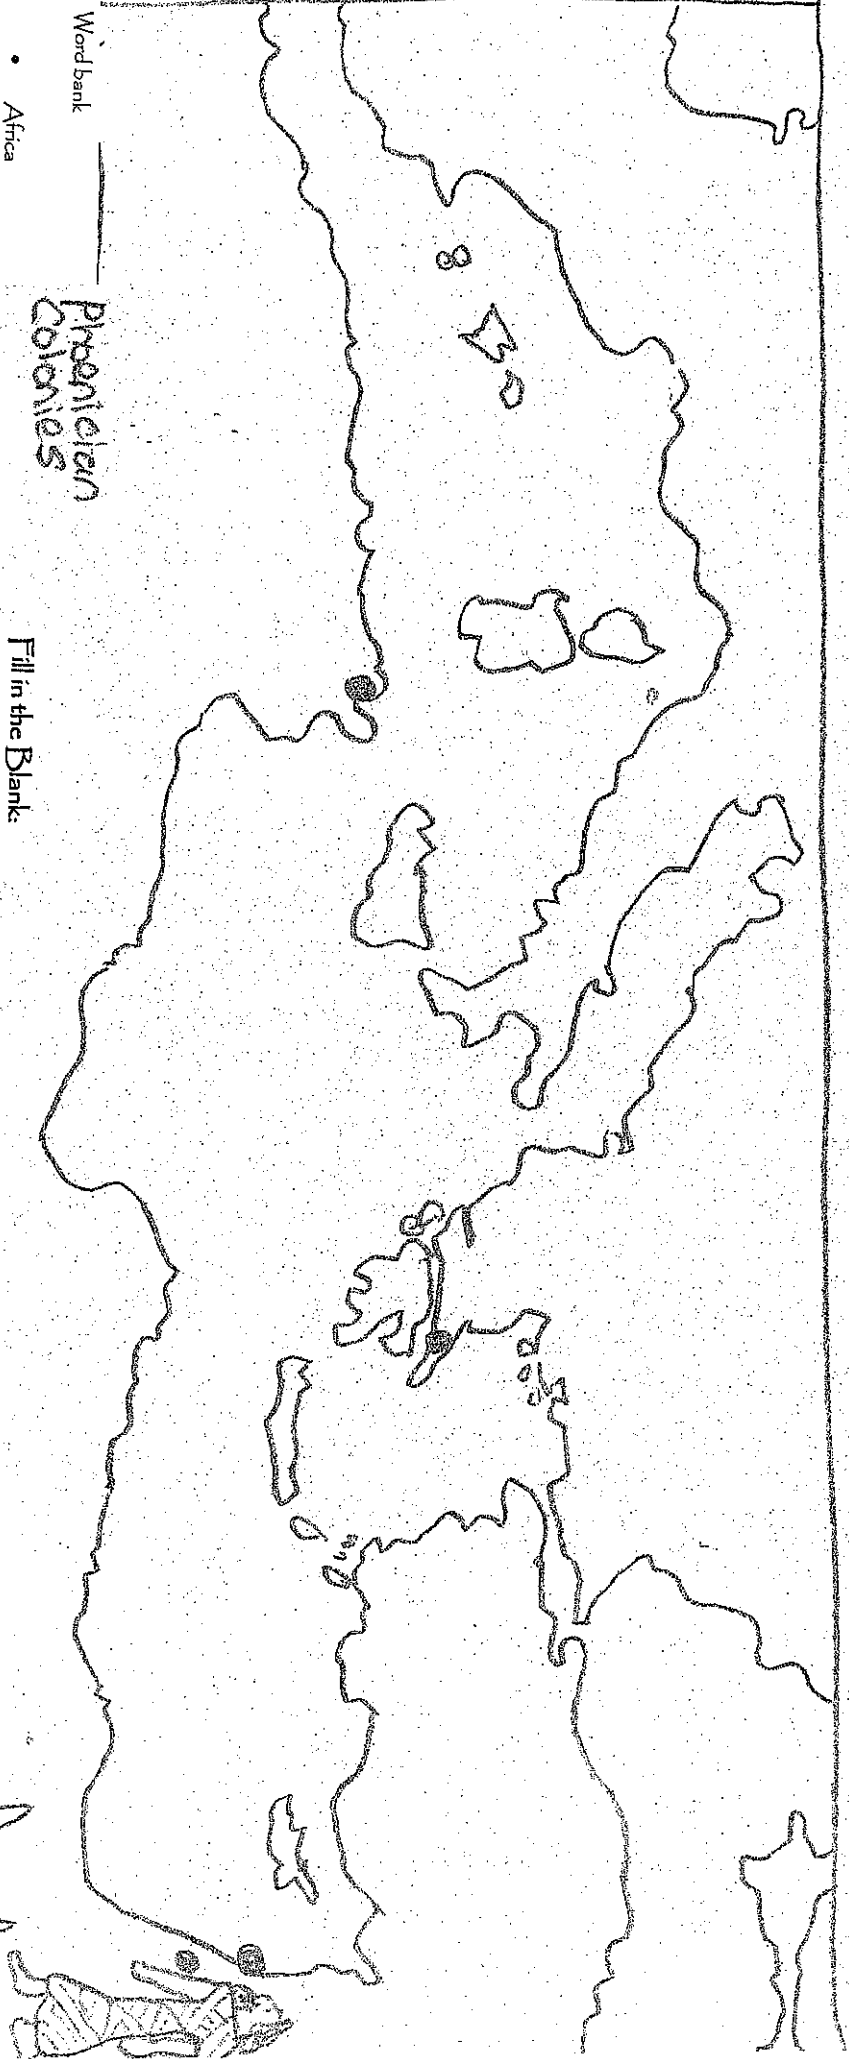

The Phoenicians began in modern day \_\_\_\_\_ along the \_\_\_\_\_ coast of the Mediterranean where modern day Israel, and Syria are also located. They \_\_\_\_\_ wherever they went \_\_\_\_\_, they even ventured \_\_\_\_\_ to present day \_\_\_\_\_ where they found rich tin deposits. \_\_\_\_\_ they are even believed to have circled \_\_\_\_\_.
