

Room 207 Introduction.

HOMEROOM

Welcome to Homeroom 207. I am your homeroom teacher Mr.

_____. This room is essentially your homebase for the 2016-17 school year so we will be getting to know each other quite well. Essentially homeroom time should be used to prepare yourself for the rest of the day, or the next day so even though it may seem like free time those who use it wisely will perform better in school. Some examples of things you should do in homeroom are....

- Check the day's schedule. Prepare accordingly
- Finding a writing utensil for the day / make sure it is sharpened
- Organizing binders and/or class materials needed for the day ahead/ organizing materials to take home for homework.
- Using your agenda to take notes of what is for homework and other responsibilities
- Studying or Reading
- Socializing with your friends is last on this list for a reason, all other tasks should be done before chatting with your classmates.

First and foremost let me tell you a little about myself....

We'll play an icebreaker/getting to know each other game a bit later.

Secondly, we need to be able to know what to do in the case of an emergency. Hopefully they won't happen but if they do we need to have a sense of direction that allows us to handle them calmly.

In case of a fire or emergency, we

Next, it is my priority to make sure we keep this room clean. I will be discussing this with your guardians on Parent/Teacher night but we need supplies to help keep our room as germ free as possible. Also, it is expected that we pick up after ourselves and keep the room neat and orderly. Friday afternoons during homeroom all students are expected to help clean before the weekend.

Expectations

Please arrive to school on time and be in your homeroom seat for Attendance by 8:15. At 8:20 you are expect to be at your first class, not still traveling in the hallway.

-Yes we will have assigned homeroom seats throughout the school year. However, you will not have to sit in them all year long, mostly just for attendance taking purposes or with a substitute.'

Please inform me if you are somewhere else in the building when attendance is being taken or any other time you may be somewhere else during a Homeroom time. Students found out of bounds and/or haven't communicated where they are with me will receive a detention.

USE YOUR LOCKER: Please do not leave clothes/lunchbags other personal items under the seats or anywhere else in the room. Use your locker to store these types of items.

Please treat each other respectfully at all times. Respect people's space, property and feelings.

Thank you in advance for your cooperation in following these rules. I'm sure we are going to have a great year together.

Your Homeroom teacher,

Mr. St. Pierre
